Consequently, any participation in the Event implies the applicant's full and unreserved acceptance of these general terms and conditions of sale. Any modification or reservation made in any way whatsoever to the present document by the participant will be considered null and void. No special condition may, unless formally accepted in writing by the Organizer, prevail over the present conditions.

These general terms and conditions of sale apply for the entire duration of the above-mentioned services.

2. ORDER

2.1 Placing an order

All orders for services placed by the Customer shall be evidenced by an Order Form sent by the Organizer (hereinafter the "Order Form"), which constitutes a legal and financial commitment for the Customer.

The Customer's order must be accompanied by the corresponding payment or proof of payment of the full amount due.

2.2 Order validation

The order will be deemed to have been accepted by the Organizer if no reservation or refusal has been made within three working days of the Organizer's receipt of the Order Form.

In the absence of payment, the Organizer reserves the right not to carry out the requested service. The customer alone shall bear the consequences of any late settlement.

2.3 Order execution

The order is carried out in accordance with the information provided by the Customer on the Order Form, insofar as it complies with good practice.

The Organizer reserves the right not to carry out the services in the conditions requested by the Customer, if these do not comply with current regulations. In this case, the Organizer will inform the Customer and the order will be suspended until further information has been received and the Customer has accepted the necessary modifications.

Furthermore, if the Customer has failed to meet any of his obligations under a previous order, such as late payment, he may be refused sale unless he provides satisfactory guarantees or cash payment. No discount for cash or advance payment will be granted.

2.4 Order modification / cancellation

Any request for modification/cancellation of the order must be notified to the Organizer within the time limits indicated on the Order Form. Any modification of the Purchase Order will only be accepted by the Organizer subject to its feasibility.

2.4.1 Order modification

Any modification that does not result in the deletion of one or more items ordered is considered a modification of the Purchase Order.

Furthermore, any modification to an order already carried out by the Organizer will be invoiced at the rate in force on the Order Form.

2.4.2 Order cancellation

Any modification resulting in the deletion of one or more items ordered, and any cancellation of the Customer's participation in the Show, shall be considered as a cancellation of the Order.

Any cancellation of an order must be notified to the Organizer in writing no later than three months before the start of the Event and, as a penalty clause, will give rise to invoicing of 50% of the total amount of the cancelled order.

Any cancellation notified less than three months before the start of the Event will be invoiced in full.

3. RESERVATION AND/OR INSERTION ORDER

3.1 Admission of an order

Reservation requests must be sent to the Organizer on the Order Form provided for this purpose. No requests can be accepted by telephone. The reservation order accompanied by the required payment is firm and irrevocable for the Customer.

3.2 Rejection of an order

The Organizer reserves the right, without having to justify its decision, to refuse an order that is contrary to the spirit of the publication, to the material or moral interests of the Event, or to the laws and regulations in force. Rejection of an order does not give rise to damages. Only the amount of the services ordered will be reimbursed to the customer.

TERMS AND CONDITIONS OF SALE

Reservation orders will be honored according to their registration rank and availability.

4. COMPLAINTS

Complaints concerning the performance of services must be made in writing to the Organizer before the Event closes to the public, in order to be recorded and taken into account. No claims will be accepted after this date.

All orders placed after registration for the Event, which are not offered to the customer as part of an Event registration contract, are payable in accordance with the terms and conditions indicated on the Order Form.

Payment may be made:

6. LATE PAYMENT PENALTIES

In the event of late payment, performance of services may be suspended. In addition, any sum not paid by the due date shown on the invoices, whether identical to that shown on the general terms and conditions or different, shall give rise to the application of penalties equal to three times the legal interest rate in force. Penalties will start to run the day after the due date shown on the invoice.

In addition, in the event of late payment, the Organizer will be required to pay a forfeit indemnity of €40 for collection costs, in addition to the above-mentioned late payment penalties (art. L-441-3, L441- 6 and D441-5 of the French Commercial Code). It is specified that this flat-rate compensation does not limit the amount of other expenses that may be incurred by the Organizer for the purpose of recovering its invoices.

- Applications for reimbursement must be submitted no later than September 30 of the calendar year following the reimbursement period.

*Pour les entreprises hors Union Européenne :
